FRANCE'S GENOA DELEGATES.

LEADER MILITARY ADVOCATE.

LLOYD GEORGE ATTACK RECALLED.

SANTA MARGHERITA, LIGURIA, April 2.
The offices of the Genoa conference in the Palazzo Reale are like a beehive. Final arrangements for the accommodation of the delegates and journalists are being made and everything will be ready on the appointed date. Many of the 400 journalists who applied for accommodation have already arrived and will be lodged in the two new buildings specially prepared for the occasion.

All the principal hotels in the city have been requisitioned for the delegates while others will be housed in hotels in country resorts in the neighbourhood. The difficulty with regard to residence of the Russian delegation, who were dissatisfied with the allocation of Rapallo as a place of residence, apparently fearing that the daily 20 mile journey to Genoa would be ruining the gauntlet, is understood to have been satisfactorily overcome. They will reside at the large hotel between Santa Margherita and Rapallo. Every precaution will be taken for their safety. A large force of gendarmes has been drafted into Santa Margherita and the entire road from Rapallo to Genoa will be guarded.

FRANCE'S DELEGATES.

PARIS, April 2.

The delegation to the Genoa conference will consist of Mr. Barthou, Minister of Justice and Vice-President of the Council; M. Colmet, Under-Secretary of State; M. Barrere, French Ambassador to Rome; M. Seydoux, Director of the commercial section of the Foreign Office; and M. Picaro, Deputy Governor of the Banque de France.

LONDON, April 2.

The delay in appointing the French delegates to Genoa indicates the uncertainty which prevails in official circles in Paris whether the conference would actually be held. This uncertainty has been evident by conflicting announcements regarding M. Poincare's attendance, also the reluctance of statesmen to accept the responsibility.

POINCARÉ'S MOVEMENTS.

The official explanation of M. Poincare's absence at the beginning of the conference is that the Premier is unable to leave France while the President, M. Millerand, is visiting North Africa, but it is indicated that M. Poincare will replace M. Barthou at the closing session when the final decisions are to be taken.

M. Barthou, who only consented to go to Genoa at the last moment, caused a sensation by a speech in the Chamber of Deputies two years ago criticising the Versailles treaty and attacking Mr. Lloyd George and the British peace-making policy.

M. Barthou has been conspicuous as an upholder and advocate of French military organization. He was also connected with the revolt of Cabinet Ministers against M. Briand during the Cannes conference which resulted in M. Briand's fall, but has been ahead of French opinion generally on the subject of Russia, having urged resumption of French and Russian diplomatic relations two years ago.

DOUBTFUL CHARACTERS EXPELLED.

ROME, April 2.

The Italian Government, which is determined to prevent any untoward incidents on the occasion of the Genoa conference, has taken every step to preserve order. Some Italians and foreigners of doubtful character have already been expelled from Genoa and a number of foreign detectives have arrived.

FRANCE AND BRITAIN.

ALLIANCE-NEGOTIATIONS.

PARIS, April 2.

In the Chamber of Deputies, M. Poincare stated that conversations with regard to the proposed French and British pact were still proceeding under very favourable conditions. The last British proposal lacked two essential points, namely reciprocity and longer duration than ten years.

PEAK TRAM ACCIDENT.

CHINESE RITTER BADLY INJURED.

A serious accident occurred on the Peak tramway at 3 p.m., on Saturday, when a Chinese employed by the Tramway Company was knocked down by a car and badly injured. The man was engaged on some repair work at the Plantation Road station when he stumbled and fell a height

of some 27 feet on to the lines in front of an on-coming tram. It was impossible to stop the car in time, and he was run over and badly crushed. Very little hope is entertained of saving his life, as severe internal injuries have resulted.

The Imports and Exports Office will be entirely closed on Thursday. It will be open until noon on Friday. Licensed ware houses will be closed both days.

THE DOLLAR.

To-day's closing rate 2.5 13/16.
To-day's opening rate 2.5 9/16.

AMERICA'S LARGEST STRIKE.

CANADA ALSO AFFECTED.

SERIOUS SITUATION POSSIBLE.

NEW YORK, April 1.

In numbers involved the strike is the greatest experienced in the United States. It has extended to the Canadian mines. The Alberta and the British Columbia anthracite miners demand an increase in wages and others are opposing the proposed reductions. The fight also aims at preservation of the union system of bargaining which has grown up during the last forty years.

The situation will be much more serious should the other unions decide to join the miners in the fight against falling wages.

WHAT THE STRIKE COSTS.

NEW YORK, April 2.

It is estimated that the daily loss resulting from the miners' strike will be as follows:—Production of bituminous coal 1,200,000 tons; wages \$2,000,000; anthracite coal 300,000 tons; wages \$1,800,000. There has been some shooting in Illinois, a miner wounding two policemen.

EXILE EMERSON'S DEATH.

ROYAL HONOURS FOR K'ERL.

LISBON, April 2.

A message from Funchal states that all the shops were closed as soon as the death of Karl became known. The burial takes place on Tuesday in the cemetery of Campomonte.

BUDAPEST, April 2.

The Regent, Admiral Horthy, and the Premier, Count Bethlen, have telegraphed their condolences to Zita. A solemn Te Deum will be celebrated in the Cathedral on the day of the funeral. The Government has instructed the civil and military authorities to observe the usual mourning. Places of amusement will be closed and all music prohibited to-morrow and on the day of the funeral.

LEGITIMISTS ACTIVE.

VIENNA, April 2.

Austria is not particularly excited at Karl's death but it appears to have given a fresh impetus to the legitimist movement in Hungary which will probably support Karl's eldest son Otto.

Viennese papers blame his advisers more than they blame Karl for the tragic end of his dynasty and empire.

PEACE WITH TURKEY.

STORMY GREEK DEBATE.

ATHENS, April 2.

A stormy debate in the Chamber on the proposed Turkish and Greek peace terms resulted in a vote of confidence in the Government passed by 162 to 53 votes, after the Venzelists had withdrawn from the Chamber as a protest against the Premier, M. Gounaris, ascribing Greece's political difficulties to Venzelist-reactionary intrigues.

LENIN'S ILLNESS.

OVERWORK ONLY.

PARIS, April 1.

Interviewed by the Berlin correspondent of the *Petit Parisien*, M. Tchitcherin declared that Lenin was only suffering from overwork and general fatigue. Reports of his condition as serious were without foundation.

BEI-FAST SHOOTING.

FIVE MEN KILLED.

LONDON, April 2.

A policeman and four civilians were shot dead in Belfast last night.

PRINCESS MARY AND VISCOUNT LASCELLES.

FLORENCE, April 1.

Princess Mary and Viscount Lascelles have left here for Genoa.

PALACE GATES.**Tokyo, March 17.—Nijutashi
Bridge, the famous approach to the
main Palace gates was the scene of a
sensational incident this afternoon.A Japanese, dressed as a coolie,
crossed the bridge and passed through
a small gate at the main entrance.
Challenged by the sentry he cried:
"It is dangerous to approach me!"The sentry stepped out towards the
man, who fell, and a bomb, which was
concealed on his person, exploded,
blowing him to pieces. His identity is
unknown.Tokyo, March 17.—To-day, at 1
p.m., a man with the appearance of a
labourer rushed in through the gate of
the Nijutashi, the "Double
Bridge," of the Imperial Palace with-
out his entering to the halt cried out by
a sentry at the gate, and fell down
with a tremendous explosion of dy-
namite, his body being torn to pieces.
According to the sentry, he looked to
be about 30 years of age, but there is
no knowing as yet who and what he
was.Later, it transpires from the in-
quest that the man who died a violent
death this afternoon, in front of the
Imperial Palace, was in possession of a
draft memorial to the Throne, indignity
by the contents of the memorial,
however, it appears he must have
been a mentally deranged person.—

PRINCE'S TOUR

SINGAPORE'S ENTHUSIASTIC
WELCOME.

SINGAPORE, April 1.
The Prince declared that yesterday's children's show was one of the finest sights of the tour.

Yesterday afternoon when he opened the Malaya Borneo exhibition he was enthusiastically greeted by an immense assembly.

The Prince adhered to his programme, playing polo later in the afternoon. He was present at a brilliant ball in Government House at night.

The City was lavishly illuminated last night, thousands viewing the display.

DEPARTURE FOR HONGKONG.

SINGAPORE, April 2.

After attending a ball in honour of "Renown" officers, the Prince boarded the "Renown" and left for Hongkong.

He spent a very full day. He inspected the military and police had a swim, played squash racquets, lunched with the Municipal Councilors, attended the races, and presented the cups.

Amid unbounded enthusiasm from all communities the visit has proved the happiest and most memorable event in the hundred years of the history of Singapore.

LOCAL AND GENERAL.

There fatal cases of plague and one fatal case of cerebro spinal fever, all Chinese, were notified on Saturday.

The notice to British Mercantile Marine officers and engineers relating to the Prince's visit has been amended in this issue.

The pogo stick, the new jumping toy which has become the rage at Home, has reached Hongkong, Messrs. Lane, Crawford & Co., Ltd. advertise it for sale.

The total output of the Kailan Mining Administration's mines for the week ending March 18, 1922, amounted to 92,315 tons and the sales during the period, to 61,782 tons.

St. Andrew's Church Messenger mentions that Captain Warner formerly Private Secretary to the Governor, Mr. R. H. Thayer and Mrs. King Salter have joined the staff of St. Stephen's Girls' College.

St. Andrew's (Kowloon) Church Messenger gives the result of the Day of Help recently held in the Church grounds. The receipts amounted to the sum of \$2,692.90, which will be devoted to mission and hospital work.

The annual Children's Festival was held at St. Andrew's Church, Kowloon yesterday. The Boy Scout troop paraded, and the service was specially devoted to the young people. The offertories will be devoted to Dr. Barnardo's Homes.

Kinema patrons have their last opportunity this evening of seeing First National's great drama, "I am Guilty" at the Coronet Theatre. A picture with an unusually effective plot, "I am Guilty" is distinguished for its fine acting and finished production. Louise Glaum plays the leading role.

Featuring Jack Kerrigan as a young American mining engineer pitting his wits against unscrupulous adversaries in a fight for fortune, "The Coast of Opportunity" this evening's Kowloon Theatre attraction is rich in native colour and bristling with exciting incident. It is a capital picture of love and adventure in Mexico.

Gen. Wang Chui-wing, Commander of the Second Division of the Kwangsi Army, and Mr. Yang Yuan-kung, Commissioner of the Bureau of Civil Affairs of Kwangsi, are visiting Canton. Gen. Wang Chui-wing's mission is to negotiate for the transport of ammunition to Kwangsi. Mr. Yang is discussing with the authorities and merchants the problem of improving financial conditions in Kwangsi.

"Mother Eternal," a picture vividly portraying the power of a mother's love, with Vivian Martin in the leading role, will be screened at the World Theatre to night for the last time. To-morrow (Tuesday) comes a new Paramount picture "The Hope Chest," a story of a poor girl who married the son of a millionaire and made a man of him. A fine comedy is also included in the programme.

BOXING.

CHADWICK FLOORS NEAL.

FENCIBLES' MIDDLEWEIGHT CHAMPIONSHIP.

There was a full "house" at the City Hall on Saturday night to witness the closing bouts of the Hongkong Boxing Association's novices' tournament and the Championship contests. Some very good fights were witnessed, but Neal again disappointed his supporters by going out before his contest with Chadwick had really started in earnest.

Amongst those present at the ring-side were Sir William Rees Davies and Commodore Bowden Smith, H.E., the Governor was unavoidably absent.

At the conclusion of the contests Sir William Rees Davies, Chairman of the Committee of the Hongkong Boxing Association, presented the trophies to the successful competitors.

In a short speech he expressed the thanks of the Boxing Association to both the Navy and Army for the great contributions they were making to the sporting contests of the Colony.

He said he was expressing the opinion of all present when he said that they desired to recognise the truly sportsmanlike spirit of the new regiment—the King's Regiment. They were displaying real gallantry in the boxing world and he felt sure their performance this year would only be an earnest of what might be expected from them next. At the present time there were only a few civilians who entered the ring and he hoped it would be taken in entirely good spirit when he said "Wake up civilians!" (Applause).

Mr. G. G. N. Tinson, Hon. Secretary, announced that the King's Regt. had won the Units' Challenge Cup with 43 marks, the Flagship was second with 14 marks and the Rest of the Garrison and Light Cruisers tied for third place with eight marks each.

Sir William Rees Davies then presented the trophies as under: Units' Challenge Cup: King's Regt.

Flyweight Class: Winner, Pte. Smith (King's Regt.); runner-up, Pte. Johnson (King's Regt.); best loser, J. W. Baldwin ("Tamar").

Featherweight Class: Winner, L. Cpl. Cutting (King's Regt.); runner-up, L. Cpl. Crotty (King's Regt.); best loser, Pte. McSally (King's Regt.).

Lightweight Class: Winner, Pte. Flynn (King's Regt.); runner-up, Ldg. S. Wrigley ("Hawkins"); best loser P. O. Ivel ("Hawkins").

Welterweight Class: Winner, Gunner Barker (R.G.A.); L. Cpl. Orr (King's Regt.); best loser, Stoker Anderson (Light Cruisers).

Middleweights: Winner, Pte. Thomas R.M.L.I.; runner-up, Ldg. St. O'Hara ("Hawkins"); best loser, Gunner Morworthy (R.G.A.).

Heavyweights: Winner, A. B. Grace ("Hawkins").

THE BOUTS.

CATCHWEIGHT CONTEST.

CHADWICK K.O. NEAL.

Originally arranged as a 15-round contest for the Featherweight Championship of the Colony, this bout did not involve the "Scott-Harston" belt, owing to Neal scaling 1½ over the prescribed weight. The men fought at catchweight instead, Chadwick ("Marazion") scaling just 120lbs, and Neal (Hongkong) 127½lbs.

Neal opened the bout in a business-like manner, and ignoring his opponent's outstretched hands, immediately got to close quarters. His hustling attitude forced Chadwick to back to the ropes. Here Neal landed light "feelers" to the body. Chadwick drove his man back with a hard left to the bridge of the nose. He followed up and floored Neal, but the latter was promptly back on his feet and boring in again. Chadwick landed several heavy blows to the face and reopened an old wound on Neal's nose causing the blood to flow freely. Neal was pressed to the ropes and forced to cover. Chadwick stood by ready, and soon as Neal lifted his head, straightened him with a right to the point of the jaw. Neal dropped like a log. He lay motionless, face downwards, while the fatal ten seconds were counted. He had to be carried to his stool and nursed back to his senses. It was a lightning affair, lasting only 73 seconds, 20 seconds longer than that memorable k.o. which Britt scored over Neal in their last encounter for the Featherweight Championship.

Chadwick's decisive win reflects much credit on his instructor, Staff Sergeant Hunt, S.C.M.P., who trained him on the Swedish system invented by a man named Lund to train the British Army during the war. Neal is one of "Kid" Marriotte's protégés. He was a good man in his time, but his days as a class boxer are over.

A CHALLENGE.

After this bout, Mr. Brock, the manager of the Hongkong Boxing Association, announced that S.P.O. Morgan, of H.M.S. "Hawkins" Welterweight and Middleweight Champion of the China Fleet, challenged any Welterweight in the Colony, preferably "Sir" Kerrison L. S. McBride, also of the Flagship, promptly accepted the challenge.

MIDDLEWEIGHT CHAMPIONSHIP.

DUNCAN STOP CALLAGHAN.

The principals in this bout were A. B. Duncan, H.M.S. "Magnolia" (150lbs.) and C. P. O. Callaghan, H.M.S. "Ambrose" (154½lbs.).

Although it lasted only six of the scheduled 15 rounds, it was a bout worth going a good distance to see. Callaghan opened aggressively, scoring twice on his opponent's face. Duncan retaliated with a heavy body punch, and Callaghan took a count of 9. Callaghan landed a right to the chest on rising and rushed in. Duncan smashed a haymaker on Callaghan's nose, and the latter took a count of 8. Rising, Callaghan fought on the defensive, and Duncan worked his deadly straight lefts to advantage, downing his man for another count of 8 just before the gong. Duncan's round easily.

Callaghan again fell off in the second and smashed rights to Duncan's face and wind. Duncan countered with a lefty right and Callaghan went down for 3. Callaghan was rushed to the ropes on rising, but beat his man back with a left and two quick rights to the face. Duncan came in again and downed Callaghan for 7 with a left to the jaw. Callaghan was aggressive on rising and drove a hard right to Duncan's jaw as he came in, but without any apparent effect. Callaghan was floored again for 2, and then received a crushing blow to the wind which would have knocked out any average man while he only went on his knees. The gong came on the count of 3. Duncan's round by a big margin.

Callaghan came up strong for the third round and scored with a left to the body and face. Duncan countered but hit his man's glove. Callaghan scored again with a left to the jaw and bored in with his head down. He was warned by the referee for this. He continued to rush his opponent and they exchanged some heavy blows in the centre of the ring. Callaghan staggered his opponent with a series of rights and lefts to the jaw, but Duncan did not seem to mind the punishment, and retaliated with a left to Callaghan's jaw. The gong came with Callaghan still aggressive. Callaghan's round by a good margin.

Callaghan led with punches to the wind and jaw, and Duncan covered and was driven to the ropes. They fought desperately here. Duncan scored with a left to the chest and Callaghan landed a right and left to the jaw. Duncan shot his right to Callaghan's jaw in the mix up which followed, and Callaghan took a count of 8. He was game as ever on rising and met Duncan's rushes with a heavy right to the body. Duncan continued to bore in but could not reach his opponent who scored with two lefts to the jaw and a right jab which pulled his man up. Callaghan with still very strong towards the close and landed once on the wind and twice on the jaw. Callaghan's round.

The fifth was also Callaghan's round. He led and for a while fought his man to a standstill, with lefty rights to the body and jaw. Smiling confidently, he dodged his man's rushes cleverly. At last Duncan got in a straight right and Callaghan went down for 1. Callaghan jumped up and punished his opponent at the ropes. Duncan seemed to have a cast iron jaw which none of Callaghan's punches could injure. The gong came with Duncan still very much on the defensive.

Callaghan came up as full of pep as ever for the sixth round and immediately set the pace with a right to the body and a left to the jaw. Duncan landed a left on the face and Callaghan covered. Duncan's punches to his ribs were too hot for him, and Callaghan sat down for 2. Callaghan was again forced to cover on rising, and Duncan let fly some rabbit punches to the neck which weakened his man. Callaghan straightened up and attempted to mix matters, but Duncan sent a furious left to the "solar" and Callaghan went down a very much hurt man. He gave in on the count of 5.

Reference: Mr. A. Murdoch.

The Chief Justice fastened the Daily Press belt round Duncan's waist amid wild cheering from his shipmates.

SCHOOL CHILDREN'S
PARADE.EFFECT OF THE CHING
MING FESTIVAL.

Owing to the Ching Ming (ancestor worshipping) festival, which commences on Wednesday there will probably be very few Chinese present at the rally of school children on Thursday. It was originally thought that the number to parade before the Prince would be somewhere in the neighbourhood of three thousand but it is doubtful whether more than about twelve hundred will be present. This latter number will represent British, Portuguese, Japanese, Indian and other non-Chinese races.

LOCAL AND GENERAL.

Five cases of plague (two fatal) were notified yesterday, all Chinese.

An advertisement interesting to former Royal Marines appears in this issue.

A Chinese woman was yesterday afternoon taken to hospital from Quarry Bay, suffering from opium poisoning.

Knocked down by a motor bus in Kowloon City on Saturday afternoon, a 9-year old Chinese boy was taken to the Kwang Wah Hospital.

The Hongkong Hotel Company's motor coach service to Magazine Gap will be discontinued from May 1. Hotel and Repulse Bay via Wong-neichong have been completed.

The Chinese press notes that the price of opium, which rose from \$9 to \$18 during the shipping strike, has dropped to \$10 now that smuggling facilities have been restored. A further drop is anticipated.

The Colony lost a well-known resident on Saturday by the death of Mr. E. Lyen at his residence, in Caine Road. Mr. Lyen, who was 58 years of age, was manager of the firm of Wai, O. Tseung. Born in Jamaica, he came to Hongkong over ten years ago. He was one of the most prominent members of the Hakkas Chinese community. He leaves a widow and large family. A memorial service was held in St. Stephen's Church yesterday, attended by many friends. Rev. Lee Kan-yan officiated.

was a tough affair for L.C. Smith who took a lot of heavy punishment. Pte. Smith repeated his medicine in the second and the lance corporal gave up.

BANTAMWEIGHT.

Pte. Johnson (King's) stopped Sig. King ("Hawkins") in a fast bout. King took the first round, but Johnson got his measures in the other two, and scoring freely, won comfortably on points.

FEATHERWEIGHT.

Pte. Cutting (King's) stopped L. C. Crotty (King's) in the last round of this mixing contest. They were very even on points in the first two rounds, but Cutting dealt out some heavy punishment in the third and his man was compelled to give up.

LIGHTWEIGHT.

Pte. Flynn (King's) k.o. L. S. Wrigley ("Hawkins") in the third round. The honours were evenly divided in the first round. The second was a fast affair and went to Wrigley by a shade. Flynn was all out in the third, and although he received a lot of punishment, gradually wore his man down and finished him with a right over the heart.

WELTERWEIGHT.

Gnr. Barker (R.G.A.) k.o. L.C. Orr (King's) in the second round. There was not much between them in the first which was very evenly contested in a whirlwind which would put a couple of bantams to shame. Orr could not last the pace in the second and was put out with a right uppercut.

MIDDLEWEIGHT.

Pte. Thomas, R.M.L.I. ("Hawkins") k.o. L. S. O'Hara (Submarine) in the third round. This was a regular slogging bout, in which both men took several counts in the first and second rounds. They were both out on their feet in the third when Thomas managed to send home the final punch after twice showing signs of wanting to give in.

HEAVYWEIGHTS.

A. B. Grace ("Hawkins") beat L/Bomb. Rose (R.G.A.) on points. Grace was the harder hitter, but Rose showed wonderful stamina and stayed to the end. He scored occasionally with long-range punches and very cleverly dodged some heavy swings which would have finished him had they connected.

OUT OF WORK.

WHY DUTCH YOUTH WAS
DISMISSED.

Remanded last week by Magistrate Wood on a charge of being a vagrant, J. H. Ritman was again before the Court this morning.

Ritman said that owing to the trade slump he could not find work here. He thought the only course open to him was to return to Holland. The Crown Solicitor, he said, was going to take up his case, and had promised to do something for him.

Mr. A. W. van Andel, manager of the Holland-China Trading Company, said that he was sorry he was not aware that Ritman was coming before the Court last Wednesday, or he would have attended to refute at once most of the statement Ritman had made to the Court.

As it was a gross misrepresentation of the facts, when Ritman applied for a position he told the Company's manager in Holland that he was not yet 20 years of age. It was customary, Mr. van Andel explained, for the Company to send out assistants between the ages of 20 and 23 with a starting salary of \$250. In view of his age, the manager in Holland did not think it was fair to the others to send Ritman out at the same salary.

Ritman's father, however, was anxious that his son should leave Holland, and offered him a monthly allowance of \$50 to make a monthly allowance of \$50 make good the deficit until the Company thought that he was entitled to the full wages. It was on this understanding that Ritman came out. When he arrived, the witness made it clear to him that his salary would be \$200 only. Ritman was subsequently given \$250 per month, not because he applied for it—the Company was not in any way compelled to give him an increase—but because he has incurred heavy debts; and it was thought advisable in the interests of the Dutch community to give him assistance. Apparently he traded on this and continued his ways. Subsequently it was decided to send him to Canton. Before leaving here, he promised to make a new start. Soon afterwards he returned to Hongkong, this in spite of the fact that he had previously said that he was not a fit place for civilised people to live in. He was sent back to Canton and there wrote that he wanted to return to Holland. This letter was ignored. He then wrote a second letter and the witness at once went to Canton to tell Ritman he must abide by his agreement. Ritman wanted a clause inserted in his agreement to the effect that if his work were found unsatisfactory, he would be sent back to Holland. This was refused. Ritman next wrote that he felt too ill to remain in the East. Examined by a doctor, he was reported to be physically fit. Ritman then complained that Canton was too quiet for him. As this failed to impress the company he again reported very ill. The doctor, however, said that he had only a slight headache. Meanwhile Ritman was going out at all times of the day and night. When the witness heard this he told the Canton manager to suspend him. In dismissing him thus, the Company had a strong case against him for refusing duty. If the Hongkong Government thought that Ritman was entitled to a passage back to Holland, the Company would give it in deference to the Government but not because they were compelled. Mr. van Andel said that it was intended to deal with the case further, he would like a remand so that he could instruct his Counsel.

The Magistrate declared Ritman a vagrant as from March 27, and committed him to the House of Detention. He told Mr. van Andel that the case would not be proceeded with further. Consequently he need not trouble his Counsel to attend.

A coolie employed by the French Mission at Pokfulam, attacked by highwaymen at 6 a.m., yesterday on his way to market, resisted and was stabbed in the head and hand.

In connection with a fire at 39, Watchai Road, on Friday morning, a Chinese was charged before Mr. J. R. Wood on Saturday with arson. Defendant and his family occupied the first floor, on which the fire originated. Inspector Blackman deposed that he found the remains of some kerosene-soaked rags in a large damaged wooden bucket, placed near a big pile of bed boxes, old broom handles and firewood in the room. He found in the same room a chest of drawers which smelled of kerosene. One of the top drawers also contained rags which smelled of kerosene. Defendant had insured his furniture for \$500 and clothing for \$1,500. The case was adjourned until to-morrow.

The China Mail.

TRUTH, JUSTICE, FOR ALL NATIONS.

HONGKONG, MONDAY, APRIL 3, 1922.

THIS HISTORIC WEEK.

So far as newspaper workers are concerned, and probably many others, it is not easy to realize that here are people and things going about their affairs who are not preoccupied with preparations for this historic week. Important as the occasion seems to us, there are local shores which the ripples from our excitement fail to reach. There are those who, to paraphrase a well-known tag of poetry, "watch the decorators pass, and plunge in thought again." There are also, sad to say, those who think we have not been behaving well, and because of that refuse to share in our enthusiasm. But—and this is usual here—the section alluded to is not so numerous, and nothing like so demonstrative, as rumour has reported.

The week does not open with fair promise. Lead-in skits are a bit of "lightfulness." It will be a great disappointment if the rain does not hold off.

A sermon locally reported must have been well meant, but in view of the fact that the Prince is representing the King his royal father, it was just a little tactless to draw a parallel with the entry of another city by another King riding upon an ass.

It is a pity, also that there should be babbler about the invitations. Widespread suggestions of "discrimination" have been officially denied, but then such a denial would have been forthcoming anyway, true or untrue, and the grumblers are not yet satisfied. It is said there was a ballot to decide who should and who could not have invitations. Ballo, when properly done, are always scrutinized. Who were the scrutineers in this case? It is a pity that the committee, for their own sakes, did not work that particular stunt in the presence of the newspaper reporters. They know Hongkong, and ought to have foreseen these jealous suspicions.

The schoolchildren should all have been given a chance to see their future King. The business of selecting representatives from the various schools has caused grief and disappointment to the unsellected, and a natural resentment by their parents. Another grumble is at the strange neglect of many of the householders on the upper levels to apply for lanterns. There is, however, still time for them to repair their omission. Procrastination, not disloyalty, explains it.

The negotiations between the street car company and its employees are still proceeding. The China Mail hopes to announce a settlement to-morrow.

THE PRINCE'S VISIT.

HONGKONG GETTING READY.

WAKE UP, PEAK!

Hongkong is going steadily ahead with the job of preparing itself for the Prince's visit next Thursday and Friday. During the week-end the Pavilion on the Praya shed its scaffolding and, viewed from the Kowloon ferry this morning, its virginal whiteness showed out against its drab background with a dazzling splendour. Inside the building a scheme of mural decorations was gradually taking shape and delicately tinted shades were being put around the electric lights.

Swathes of red, white and blue are being wound around the pillars of most of the Government buildings and several of the big houses, including the Hongkong Bank and Jardines, are hard at work, too. "Brokers' Alley" had only one lone lantern swinging in the breeze this morning but there were enough wires being rigged up to carry a promising crop in due time.

It was gleaned from Mr. C. Montague Ede this morning that 140,000 lanterns have been applied for and up to Saturday morning about 103,000 had been handed out. There are still about 50,000 available and it is hoped that Peak residents will go along and get some of them. So far the Peak has been a little backward on the illuminations question and the explanation seems to be that a good many Peak people have the feeling that it is bound to be misery on the night of the illuminations and the Prince wouldn't be able to see their lanterns anyway. The illuminations committee can't, of course, promise that there will not be a mist at some stage of the proceedings but they think that even if there should be one it might, in deference to the importance of the occasion, be persuaded to roll away for an hour or so to let His Royal Highness see what our Peak can look like when it takes the trouble to deck itself out. It is hoped that every house facing the waterfront will try and put up its tow of red lanterns.

This morning the naval men and marines who are to form the guard of honour when the Prince lands at Blake Pier were out having a rehearsal, and a group of police officers, armed with maps and diagrams, were evidently mapping out traffic details.

AT ST. STEPHEN'S COLLEGE.

WHAT THE PRINCE WILL DO.

As the new building has already been started the ceremony in which the Prince is to take part at St. Stephen's Girls' College on Friday morning will not really be a foundation stone laying. The stone that he will lay will be inserted in one of the walls. When the right moment arrives H.R.H. will pull a gold chain connected by an electric wire with an apparatus which will release the stone and slide it into place. On a table beside the Prince will be a small model of the new College and as the Prince pulls the gold chain a miniature stone in the model will slide into a position corresponding to that taken up by the big one in the actual building. The new college is to extend from Littlewood Road to Park Road.

(Reuter's Service to the China Mail)

PRINCE OF WALES.

Singapore, April 1st.
After a day spent mainly in fulfilling private engagements, H.R.H. the Prince of Wales embarked on the Empress, which sails at dawn on Sunday for Hongkong. From Sir Herbert Russell, Reuter's Special Correspondent.

KARL DIES IN EXILE.

FRANKFURT, April 1st.
The ex-Empress Karl of Austria-Hungary is dead.

[A previous telegram stated the ex-Empress was suffering from pneumonia complicated by cerebral trouble.]

The ex-Queen Zita and the eldest son were present at the bedside. The ex-Empress was conscious to the last. The doctors refused the ex-Queen's wish to transfuse her blood into her husband's vein. The body is being embalmed and will probably be repatriated to Austria.

AMERICA COAL MINERS STRIKE.

INDIANAPOLIS, April 1st.
The miners' demand for an increase of wages on the expiration of the current wage contracts is mainly responsible for the coal strike which begins to-day, involving half a million unitaries miners and a large number of non-unitaries.

The duration of the stoppage is conjectural. Since accumulated stocks represent six weeks' supply, and the approaching warm weather will lessen consumption. The Government anticipates that non-unitaries will produce fifty per cent. of the normal output, negotiators in the anthracite fields are still endeavouring to fix a new scale, while as regards the bituminous fields, the Secretary of Labour names the owners who have repeatedly refused to confer with the workers.

New York, April 1st.
Telegrams from various mining centres indicate that men came out at midnight in accordance with the Strike order. Kentucky is the only field where work continues. The men's contract running another twelve months. The Miners Union has ordered 18,000 men in various places to remain at work on the pumps.

"SOUTH AFRICAN REVOLT."

CAPETOWN, April 1st.
In the course of the debate on the second reading of the Indemnity Bill, General Smuts attributed the revolution to a combination of Nationalist doctrines with those of the International Communists, affecting ignorant masses. He emphasized that genuine workers and trade unionists had been practically superseded by an entirely different set of men forming a military revolutionary junta.

General Smuts gave the total casualties as 50 killed and 257 wounded on the Government side, and 135 killed and 257 wounded on the side of the revolutionists. Ninety-eight Indian natives were killed and wounded.

SEAPLANE LONG FLIGHT.

LISBON, April 1st.
The Portuguese seaplane in flight to Rio de Janeiro reached Las Palmas in 84 hours. The landing was difficult owing to the rough sea. The aviators leave for Cape Verde to-morrow to continue their flight to Rio de Janeiro.

OXFORD AND CAMBRIDGE BOAT RACE.

LONDON, April 1st.
Cambridge won the boat race by four-and-a-half lengths. The official time was 19m. 7secs.

Huge crowds assembled at Putney. The sun broke through a snow laden sky as crews launched the boats. A moderate easterly wind was blowing across the river. Conditions generally were almost perfect, from a rowing point of view. Cambridge won the toss and chose the Middlesex side. An exceptionally fast tide was running when crews got off at 4.40. An excellent start was made. Oxford rowing 39 strokes and Cambridge 38 in the first minute. Cambridge quickly settled down to a long, powerful stroke, although Oxford led during the first minute.

Cambridge, however, gained a good half-length before passing the Fulham Football ground. Oxford was not attempting rush work and pulled well together. Cambridge led by barely a length at the mile; time, 4.12. The Light Blue coxswain brought his boat over to the centre of the river, before reaching Harrods' when he led by a length and a half, rowing almost dead ahead of Oxford. At Hammer Smith Bridge, Cambridge was a length and a half ahead and the time at this stage was 7min. 50sec. Oxford made an effort at Chiswick Foot, the Light Blues, rowing well within themselves, still kept the lead, reaching Chiswick Steps two lengths in front in 12min. 4sec.

Thereafter the race was a mere procession. Although the Dark Blues occasionally spurred they could not reduce the lead. Cambridge was three lengths ahead at Barnes Bridge (time, 16min. 10secs.) and spurred hard and fast near the end when they had nothing to fear, and won comfortably. Oxford finished in rather ragged style, and several of their crew appeared greatly distressed.

BRITAIN'S REVENUE.

LONDON, April 1st.
The revenue for the financial year ended March 31st amounted to £1,125,000,000 as compared with £1,423,000,000 in the previous year. The decrease is chiefly due to the drop £169,000,000 in excess profits duty, and £117,000,000 in special receipts.

The expenditure amounted £1,078,000,000 and the returns thus show a surplus of £46,000,000 compared with the estimated £177,000,000. The bulk of the surplus it was anticipated, would be available for debt redemption, whereas while the floating debt has been reduced by £246,000,000 this has been accomplished mainly by fresh borrowings.

If you want a clear head and good digestion you must not let your bowels become clogged with poisonous waste from the body, as it always does when you become constipated.

Proper food, an abundance of water and plenty of outdoor exercise should keep your bowels regular. When that fails, you should take Chamberlain's Tablets. They cause a gentle movement of the bowels and are easy and pleasant to take.

LEAGUE FOOTBALL.

FIRST DIVISION.

KINGS BEAT CLUB.

This closely contested game on the Club ground resulted in a win for the Soldiers by the only goal scored.

Foryth kicked off for the Club, but the Soldiers were easily attacking. Hands pulled up a promising attack, and Stewart sent England away. The latter centred well but the right winger was slow and a good chance went begging. Several other good chances were missed at both ends after this. After a long ding-dong struggle, Burnett managed to get past McPhail, and centred well. Jones sent in a hard shot which struck Teller and bounced into the net out of Roger's reach.

The exchanges were fast after this, both sets of forwards working like niggers, and the defences were kept very busy. However, no more goals were scored, and the Kings ran out winners by the only goal of the match.

Club: G. Rodger, Gerrard and McPhail; Teller, Stewart and Weyman; Banner, Day, Foryth, McTavish and England.

Kings: Williams, McCas and Wynne; Newton, Hodgson and Jessop; Burnett, Love, Jones; Hart and Scott.

Referee: Mr. Williams.

"TITANIA" BEAT CHINESE.

This was also an evenly contested match. The Sailors just managed to get the two points at stake by scoring the only goal of the match in the first half.

The Chinese were greatly handicapped in losing Chan So, their left back, who had to leave the field in the opening minutes of play with a twisted knee. The Sailors attacked vigorously, and Draper scored from close range. Matters evened up when Chan So returned and the Chinese had their share of attacking. Thanks to Phillips' fine goal-keeping, however, they could not score.

Referee: Mr. Hollands.

KOWLOON BEAT "AMBROSE."

Playing at home, Kowloon defeated the Sailors by the only goal scored. The game was very evenly contested; both sets of forwards giving the defences a lot of work. Pasco was responsible for Kowloon's goal.

Referee: Mr. Bolton.

R.G.A. BEAT "CAIRO."

The Gunners were a better combination and scored three times to their opponents' one. "Cairo" put up a good fight, and the Gunners had to play their best to win. McHugh, Cuzens and Veale scored for the winners.

UNITED SERVICES LEAGUE.

"TAMAR" BEAT "HAWKINS."

Played on the Navy "B" ground, this match was won by the "Tamar"

by one goal to nil. The game was very keenly contested for the runners-up position in the league, both teams being one point behind the R.G.A. The "Hawkins" were the favourites, and on the run of the game they should have won but Mitch was playing too soundly in goal to allow anything to pass him. Topping scored the winning goal for the "Tamar" giving "Hawkins" no chance. The "Tamar" had some anxious moments towards the end of the match, playing with only ten men, Oxford being forced to leave the field with a strained ankle. They managed to weather the storm successfully, however.

LEAGUE DIV. II.

"CURLEW" BEAT ST. JOSEPH'S.

The "Curlew" were too strong for the St. Josephians, inflicting a crushing defeat to the tune of 9 goals to 1.

The Collegians fielded nine players, mostly small boys, with Ogley as Captain. They played a fairly good game, but the Sailors were too heavy. Riley and Hender scored for the Sailors in quick succession, and Fuertes replied by scoring a fine goal for the Collegians after a pretty breakaway. The sailors took charge of the game after this and scored seven more goals before the final whistle.

KING'S BEAT UNIVERSITY.

The Kings had to play all they knew to maintain their position at the top of the league in this match. They scored twice to their opponents' once and just managed to get there.

The King's have one more match to play against the Chinese to finish their fixtures while the "Curlew" have a better chance of winning the league with two matches against the United in hand. The position is at present as follows: Kings, played 19 games, 32 points; "Curlew" played 18 games, 31 points.

EXHIBITION MATCH.

At Sookumpoo Valley at 4.15 p.m., to-day, an exhibition match will be played between the R.G.A., winners of the United Services League and a team chosen from the Rest. Lady Fowler will present the shield and medals at the close of the game.

The "Rest" team is chosen as follows, and will play in blue: Mitch (Tamar); Adkins (Hawkins) and Harry (Tamar); Wilkins (Titania), Hudson (Kings); Hill (Tamar), Duval (Ambrose), Jones (King's), Imeson (Hawkins) and Brazendale (Tamar).

Referee: Mr. Newton.

The R.G.A. will play in white.

HUGE BALL OF FIRE.

BLAZES ACROSS SKY WITH A WIDE TAIL.

A huge ball of fire which, on the night of January 11, passed across the southern hemisphere was described on the arrival of the Liverpool liner "Vauban" in New York. The event has excited the keenest interest among astronomers in Brazil, the Argentine, and Uruguay and a special report has been prepared for Britain by Captain Anthony Cadogan the master of the Vauban.

When the vast mass of light appeared Mr. Francis C. Blessing was in command on the bridge. "It was about the size of a full moon," he says, "and when I first observed it, it was 10 degrees above the western horizon. It illuminated the ocean over a distance of about 500 yards."

"The light it shed was so brilliant that passengers rushed out on deck to inquire the cause. It took about three and a half minutes to cross from horizon to horizon, and while it lasted one could easily read the print of a newspaper."

"Behind the body itself for about 10 degrees was an enormous tail—full, wide and brilliant. This was dissipated when the ball of fire was within 20 degrees of the eastern horizon into which it disappeared."

THE PRINCE'S VISIT.

(Continued from Page 5).

About 500 invitations have been issued. Applicants included men who fought on all the fronts, one man who was wrecked in the Bay of Biscay and spent six days in an open boat, 20 ex-servicemen from Canton and 20 representatives of the "Groupement des Anciens Combattants Français de Hongkong." These last, who are, of course, French ex-warriors, specially asked to be allowed to join in the ex-servicemen's reunion with the Prince.

Indian police who saw war service will be there, including a detachment from Macao.
At least 50 officers of the mercantile marine are expected to turn up.
There will be no formal presentation. The ex-servicemen will sit around in chairs and the Prince will move amongst them probably having a little chat here and there.

The Prince at Polo.

If the weather is fine enough the Prince will try our polo ground at Causeway Bay. A six-shukts game probably between teams from the "Renown" and one representing Hongkong.
"Renown's" probable team:—The Prince, Captain E.D. Metcalfe, Lord Mountbatten, Lieut. the Hon. Bruce Ogilvy.
Hongkong's champions will be—Mr. J. Bell, Irving (captain), Lieut. Fisher, Captain Neville and Mr. J. E. H. Bibby.

The Official Banquet.

Each of the guests who attends the official banquet on Thursday night will be presented to the Prince.
The "Hawkins" band will furnish the music.

Fish Procession.

H.R.H. will watch the Fish Procession from the special stand erected alongside the Pavilion. The procession will come from Happy Valley, turning down by the Y.R.C. and then coming straight along the Praya.

The Second Day.

There is, as an Official put it, a "haze of uncertainty" as to what the Prince will do on the morning of the second day. If he has played polo the previous day H.R.H. will either go for a motor spin around the island or a trip up to the Peak.

At The Ball.

Guests should be in the Pavilion by 9 p.m. at the latest.
H.R.H. is due to arrive a little after 9. There will be no dancing until the Prince gets there but the "Renown" band will play some musical selections.

Music for the dancing will be provided by the "Renown" band and the Hongkong Hotel orchestra.

There will be a special date, facing the ballroom floor, for the use of the Prince and his personal party.
When H. R. H. decides to leave the ball the band will play first "God Save the King" and then "God Bless the Prince of Wales." The Prince will meanwhile mount to his date and take leave of the gathering from there.

Mr. H.B.L. Dowbiggin is secretary of the Dance Committee which is getting out a very artistically designed dance card.

There will be a continuous and not an official supper. The Hongkong Hotel, with Mr. Taggart in command, will see to the catering. What to Wear.

For the reception:—Levee dress, morning coats or, at any rate, your best dark suit.

For the ball:—Evening dress with decoration. Military Officers will wear winter mess dress.

For the official banquet at Government House:—Mess dress for naval and military; evening dress with decorations and military medals for civilians.

Chinese banquet:—Mess dress for naval and military; evening dress with decorations and miniature medals for civilians.

Addresses on View
Kelly and Walsh who printed the addresses that are to be presented to H.R.H. are showing them in their windows.
